Items

The King's Glaive

This item doubles your damage

The Boots of Sky

This item allows you to double jump

The Crown of Burdens

This item halves the EXP needed to level

Notes

You can only Cycle Items if you have more than one item in your inventory. Items are lost whenever you move between rooms and floors.

Use the Interact Button to use Doors, Chests and pick up Items.

Remember that Death is permeant in this game! If you die, your save file will be deleted as well. Play smart!
